Subject: 13th Floor Office

Good morning, Jim~

I just wanted to pass on the response from our tenant on the 13th floor regarding the office that your staff repaired and painted for them. I hope you will find it encouraging. Thank you for doing such a prompt and professional job for us as well. Please see the comment made below. Have a great day!

"It looks wonderful, and the painters did an incredible job repairing that mess. I would always want to use their services in the future!!!"
